CORE SERVICES

Local authorities	thematic maps and atlases; flood risk and municipal emergency plans
FTTH networks	audit and clean-up of splice-closure or network databases; FTTx deployment plans and database updates
NGOs and research	field data collection; health mapping and access to care
For everyone	GIS data audit and restructuring; QGIS and OpenStreetMap training

DELIVERABLES AND FORMATS

Data: GeoPackage, Shapefile, GeoJSON, KML/KMZ, CSV; PostgreSQL/PostGIS databases.

Maps: high-resolution PDF, PNG, QGIS or ArcGIS projects; DWG/DXF plans for FTTx work.

Sources cited in every deliverable (OpenStreetMap under the ODbL, IGN and cadastre data under the Etalab Open Licence); metadata documented.

TOOLS

QGIS, ArcGIS (Desktop and Pro), PostgreSQL/PostGIS, AutoCAD, ODK Collect, KoboToolbox, Survey123, JOSM and OpenStreetMap; for FTTH: IPON, Geofibre, NetGeo.

PAST PERFORMANCE (PUBLISHABLE)

Pilot study carried out on my own initiative, Bernis (Gard, France), 2026: exposure of public car parks to flood risk. 13 car parks, 361 spaces, 97% of them in a PPRi hazard zone.

Publication: co-author of two chapters of “Open Mapping towards Sustainable Development Goals”, Springer, 2023.

Open training: “SQL sur PostgreSQL” series, 13 videos (in French), Diallo Géo YouTube channel.

ORGANISATIONS I HAVE WORKED WITH

Serfim T.I.C, fibre-optic mapping technician (2025-2026, employee) · Humanitarian OpenStreetMap Team (2022-2023) · ENDA Santé (2022) · YouthMappers / Arizona State University (2019-2022) · IRD / LEIDI laboratory (2019) · Géomatica (internship, 2018-2019).

DRONE

Remote pilot holding the DGAC A1/A3 attestation (no. FRA-RP-000000166958, valid until 19/09/2031). Drone services are not offered yet.

CPV CODES

71354000	Map production services
71354100	Digital mapping services
71222100	Urban areas mapping services
38221000	Geographic information systems (GIS)
71241000	Feasibility study, advisory service, analysis
72320000	Database services

TERMS

Base rate: €400 per day, net prices. Reply within 24 business hours, quote within 3 business days.

Fieldwork around Morteau (Doubs, Jura, Haute-Saône, Territoire de Belfort); remote work across France and internationally.
